

UNIV 1820.001/016: Holistic Development in Intercollegiate Athletes

Instructor: Alana Butler

Fall 2017, Tuesdays, 10-10:50AM OAK 107 or 11-11:50AM ROWE 134

Email instructor for permission number

This course was created to explore issues pertinent to the lives of student-athletes in their transition to college, their path over their academic and athletic career, and the unique aspects of planning their future. It will likely be most appealing to student-athletes and those pursuing an academic major and/or career that relates to inter-collegiate or professional athletics.

Students will gain

- 1) Enhanced knowledge of diverse issues in sports
- 2) Increased cultural competency
- 3) Increased self and interpersonal awareness.
