Challenging Social Norms

Instructors: Stacy Hayden and Pam Peters

UNIV 1820.017, PeopleSoft Course # 16377
Open to Freshmen and Sophomores

Critically analyze social norms within our communities, our university, and our world! Over the course of the semester, we will investigate aspects of social norms theory and apply them by creating a norms campaign. You will develop your research skills, determine strategies to challenge social norms, and learn how to make a difference in your community.
