Students exchange papers to peer-edit their writing assignments

Exploring STEM Research 101
Instructor: Renee M. Gilberti, Ph.D
UNIV 1820.002/1820.006, Peoplesoft #6894/11673

Active participation in this course will provide you with the skills to connect with professors to become involved with hands-on STEM undergraduate research opportunities.

You will learn how to read and critique original, peer-reviewed research articles, as well as strengthening your writing skills. By the end of the semester, you will enhance your professional communication skills for real-world interactions with professors and fellowship/scholarship interview scenarios.
