Open to Freshmen and Sophomores

Exploring STEM Research 101
Instructor: Renee M. Gilberti, Ph.D
UNIV 1820.006, Class #9563, Tuesdays 11:00-11:50am
Contact Instructor for a Permission Number

Active participation in this course will provide you with the skills to connect with professors to become involved with hands-on STEM undergraduate research opportunities.

You will learn how to read and critique original, peer-reviewed research articles, as well as strengthening your writing skills. By the end of the semester, you will enhance your professional communication skills for real-world interactions with professors and fellowship/scholarship interview scenarios.
