Students exchange papers to peer-edit their writing assignments.

Exploring STEM Research 101

Active participation in this course will provide you with the skills to connect with professors to become involved with hands-on STEM undergraduate research opportunities.

Tuesdays, 11:00AM - 11:50AM
Instructor: Dr. Renee M. Trueman
UNIV 1820.006

By the semester's end, students will:
- Learn how to navigate original, peer-reviewed research articles
- Strengthen critical thinking skills.
- Establish connections with professors to be potential research project mentors
- Enhance your data communication skills
- Prepare to apply for STEM summer research opportunities

Students should contact Dr. Renee directly for a permission code to enroll:
