

Using Your Entrepreneurial Skills to get a Job or Start a Business

UNIV 1820.006

Thursdays, 11:00 AM - 11:50 AM

Instructor: Kathy F. Rocha

Everyone has entrepreneurial skills that can help them land a job or start a business. In this course you will identify entrepreneurial skills with potential impact, such as networking, and start to develop them. You will also learn a job search methodology which has proven to be successful!
